Orion Township Public Library Unveils Orion History Museum Display

History of Lake Orion Display at the OPTL

By Becky Bolin (Patch Contributor) - Updated June 20, 2017 9:29 am ET

The Orion Township Public Library recently unveiled a new Orion history museum exhibit on display in the Friends Reading Room at the library with pictures and artifacts related to Lake Orion’s origins as a resort town.

The exhibit includes pictures and information about Park Island, taxi boats, and the Detroit United Railway. Some of the artifacts included in the exhibit were gifted to the library from the Orion Historical Society.

“The new display highlights some of the pictures and artifacts we have found and is a visual way of teaching the Lake Orion story to everyone,” said Kate Kloor, Adult Services Librarian. “Some of the items on display include a nautical flag from one of the old boats, a piece of the railroad track that people came to Lake Orion on, and some postcards.”

Please stop by and view the Orion history exhibit any time the library is open at 825 Joslyn Road, Lake Orion, MI 48362. Library hours are 9:30a-9:00p Monday through Thursday and 9:30a-5:00p Friday and Saturday. For more information contact Kate Kloor, Adult Services Librarian, at 248.693.3000 x308 or kkloor@orionlibrary.org.
The Friends of the Orion Township Library recently presented a check for $10,000 to the Orion Township Public Library for funds raised at the Friends Passport to Spring Gala event which was held at the library at the end of April.

Over 300 guests attended The Passport to Spring: A Visit to Poland event when the library was filled with Polish music, food, culture, and entertainment.

“This donation will be used to upgrade the technology in the Teen Room at our library,” said Karen Knox, director, Orion Township Public Library. “Orion teens would like to be able to have access to the latest video game systems, chargers for their portable devices, and special software on the computers. With this generous donation from the Friends, we will be able to provide our teens with upgraded technology, which encourages them to keep coming to the library.”

Library staff plan to add these upgrades to the Teen Room this summer. Be sure to stop in and take a look!

The Friends of the Orion Township Library is a 501(c)3 organization whose volunteer members are dedicated to supporting and improving the library by raising funds for services, programs, projects, and resources not provided for by the general library budget.

The Friends are always looking for new members and volunteers! If you are interested in learning more about the Friends of the Orion Township Library, please visit orionlibrary.org/friends.

For more information, visit the Orion Township Public Library at 825 Joslyn Road, Lake Orion, MI 48362, orionlibrary.org or call 248.693.3000. The library is open 9:30a-9:00p Monday through Thursday and 9:30a-5:00p Friday and Saturday.

Gentle, safe fitness training for aging and disabled adults

Eat right and exercise—the keys to a long and healthy life. Easy to say, but not always easy to accomplish—especially if you are older and/or disabled. That’s where Sydney Zaremba, owner of SydFit, LLC, comes to the rescue. Sydney and her team design safe and effective fitness programs for older adults and special populations, either through group programs in senior living facilities and other venues, or in the privacy of your own home.

“We provide in-home fitness training, assisting clients with their balance, flexibility, mobility and strength,” Zaremba said. “This can be either to maintain their current level of fitness, help them improve or, if they’ve had surgery or have a chronic illness or disability, to help them stay as mobile, fit and independent as possible.”

What is unique about SydFit is that a fitness professional always comes to you. SydFit does not have a storefront location, but has professional fitness trainers who are mobile and can work with you privately in your home or with groups in senior living communities (independent/assisted/memory care). By providing music and a variety of exercises, seniors gently and safely reap the rewards they desire in the group class environment. At home, clients are encouraged to participate in their own goal setting so they have ownership and are motivated to continue with their programs.

SydFit, based in Lake Orion, serves the local region, in addition to other parts of the north metro area.

SydFit provides many fitness benefits. Best of all, your initial personal fitness assessment is always free!

Baker College to offer graduate degrees in cybersecurity. Baker College will launch two graduate degrees fall 2017 for those wanting to enter or advance in the cybersecurity field: an MBA in cloud security risk management and a Master of Science in information systems (MSIS) in cloud security risk management. Enrollment is now open for courses that begin Aug 28. Courses in the concentration of cloud security management will be provided through a partnership with Mission Critical Institute (MCI), Reston, Virg. MCI is a leading developer of cybersecurity educational programs recognized by the Department of Homeland Security. The curriculum is based on the U.S. government’s recommended set of industry standard and best practices developed by the Department of Commerce’s National Institute of Standards and Technology (NIST) to help organizations manage security risks. For more information about the two degrees in cloud security risk management, contact Christine Olyer, MCI program manager, at colyer@mcicorporate.org.
Summer reading, summer fun

The Orion Township Public Library held its annual Summer Reading Kick-off festival this month, but the kids were doing everything but reading.

While the kickoff is an opportunity for parents to enroll kids in the reading program, it's also an opportunity for families to enjoy quality time together creating craft projects, playing games, indulging in pizza and popsicles, and everyone's favorites -- the bounce house and obstacle course.

Parents can still enroll their children in the summer reading program by stopping at the library or online at www.orionlibrary.org. Kids can log their reading hours/books and then earn chances for prizes. -- J.N.

Take that you clown! -- Tanzing, 4, throws bean bags at a clown cutout, trying to put one through the holes and stop that mocking grin. "The library is literally his favorite place, and it's because of the people here," said his mother. Photos by Jim Newell

Sophia, 8, springs from the rainbow tunnel and pounces on to a tumbling mat. The Carpenter Elementary student also got her face painted with a kitten nose and whiskers -- maybe that's why she landed on her feet.

A kids-style drive-in

Ahh, the summer drive-in movie -- a rite of passage.

The Orion Township Public Library screened Cars 2 with a special twist -- kids (ummm, with a bit of help from their parents) got to create their own cars. The kids used construction paper, crayons, markers and other decals to decorate cardboard boxes before settling in to watch Lightning McQueen zoom his way through another adventure.

The event was part of the library's summer programs, drawing families to library activities.

For more on upcoming events at the Orion Twp. Library, go to the library's website, www.orionlibrary.org, or pickup a schedule at the OTPL, 925 Joslyn Rd.

Lake Orion History exhibit opens

Originally a resort town, Lake Orion was a vacation destination in the 1900's.

Pictures, postcards and artifacts displaying LO's history is now on exhibit at the Orion Township Public Library.

Originally a resort town, vacationers enjoyed Park Island, taxi boats, and the Detroit United Railway. Anyone interested in learning about the past culture when LO was a vacation destination, can now obtain that knowledge at the library. Some of the artifacts were gifts from the Orion Historical Society.

"The new display highlights some of the pictures and artifacts we have found and is a visual way of teaching the Lake Orion story to everyone," said Kate Kloos, Adult Services Librarian. "Some of the items on display include a nautical flag from one of the old boats, a piece of the railroad track that people came to Lake Orion on, and some postcards."

OTPL is located at 825 Jostyn Road, Lake Orion, and open from 9:30 a.m. - 9:00 p.m. Monday through Thursday and 9:30 a.m. - 5:00 p.m. Friday and Saturday. For more information contact Kate Kloos, Adult Services Librarian, at 248.693.3000 x308 or kkloor@orionlibrary.org. -- S.C.

Crittenton offers outpatient option for hip replacement surgery. When Stephen Sanger of Clarkston couldn't finish a round of golf he knew it was time to do something about his aching hip. Crittenton Hospital and Medical Center orthopedic surgeon Dr. Andrew Clarolone offered Stephen a unique surgical option that made recovery much quicker. Stephen was one of the first patients in Michigan to have same-day hip replacement surgery. As a candidate for anterior hip replacement, Dr. Clarolone performed this “muscle-sparing” procedure which means no muscle is cut during surgery. That, in addition to adjustments to the traditional medicine regimen given to a patient undergoing hip replacement, can get patients on their feet quicker after surgery and makes it possible for them to avoid a stay in the hospital. Stephen’s surgery was just over a month ago and he is already swinging a golf club and looking forward to spending more time on the links. Dr. Clarolone is a Board certified Orthopaedic Surgeon and practices at DeClare LaMacchia Orthopaedic Institute.

FOTL wins an Honorable Mention. The Friends of the Orion Township Library were awarded an "Honorable Mention" for their work on the Japan focused cultural fundraiser, Passport to Spring: Japan, A Festival of Seasons, in the Baker & Taylor Awards. The annual awards recognize Friends groups and library foundations for outstanding efforts to support their library. The Japan focused cultural fundraiser was held April 29, 2016 at the Orion Township Public Library and raised $5,000 for library programming.

Orion History Exhibit. The Orion Township Public Library unveiled an Orion history museum exhibit on display in the Friends Reading Room at the library with pictures and artifacts related to Lake Orion's origins as a resort town. The exhibit includes pictures and information about Park Island, taxi boats, and the Detroit United Railway. Some of the artifacts included in the exhibit were gifted to the library from the Orion Historical Society. Stop by and view the Orion history exhibit any time the library is open at 825 Joelyn Road in Lake Orion.

Celebrating nine years of ButterBurgers®

Summer is the season for ButterBurgers® and frozen custard! You'll find both, along with fun and family friendly activities, at Culver's of Lake Orion. In addition to owning an award-winning franchise, Joe Zimmer focuses his efforts in summer months on classic car shows, kids' nights and fundraisers.

From May until late October, residents are invited to the weekly classic car show on Tuesday evenings, held from 4 to 8 p.m. Year round, on Wednesday evenings, stop in from 4 to 9 p.m. for Family Night, complete with $2.99 kids' meals, crafts, clown balloon creations, face painting, contests and raffles. On Thursday evenings, from June 22 until August 17, an outdoor family-friendly movie will be shown starting at dusk.

July 27th marks the 9th Anniversary of the Lake Orion location and will be celebrated with $1 ButterBurgers® all day (10 am to 11 pm). Last year the franchise sold 6,700 burgers in one day. Stop by and help the Zimmer's surpass this milestone in 2017.

During Anniversary week, July 24 to 28, Culver's is offering a daily special. Drop in and wish Zimmer and his crew a Happy 9th Anniversary.

Focusing on family, his crew and the community at top priority for Joe Zimmer. Giving back is three-fold for Zimmer: local community events and organizations, scholarships for crew members, and contributing to the Culver's Thank You Farmers campaign.

Visit Culver's daily from 10 am to 11 pm at 4363 Inter Drive North. To view the menu, sign up for the eClub, find the custard "Flavor of the Day," visit culvers.com
Orion Township Public Library unveils Lake Orion history exhibit

Monday, June 19, 2017

A new Lake Orion history exhibit is now on display at the Orion Township Public Library.

The exhibit details Lake Orion’s origins as a resort town and includes pictures and information about Park Island, taxi boats and the Detroit United Railway.

Some of the artifacts in the exhibit were gifts from the Orion Historical Society.

“The new display highlights some of the pictures and artifacts we have found and is a visual way of teaching the Lake Orion story to everyone,” said Kate Kloor, adult services librarian, in a statement. “Some of the items on display include a nautical flag from one of the old boats, a piece of the railroad track that people came to Lake Orion on, and some postcards.”

The exhibit is available to view whenever the library is open.

Library hours are 9:30 a.m. to 9 p.m. on Monday through Thursday and 9:30 a.m. to 5 p.m. on Friday and Saturday.

For more information, contact Kate Kloor, adult services librarian, at 248-693-3000 ext. 308 or kkloor@orionlibrary.org.

Orion Township Public Library receives Friends donation
Friday, June 30, 2017

The Friends of the Orion Township Public Library recently presented a check for $10,000 to the Orion Township Public Library for funds raised at the Friends Passport to Spring Gala event which was held at the library at the end of April.

Over 300 guests attended The Passport to Spring: A Visit to Poland event when the library was filled with Polish music, food, culture, and entertainment.

“This donation will be used to upgrade the technology in the Teen Room at our library,” said Karen Knox, director, Orion Township Public Library. “Orion teens would like to be able to have access to the latest video game systems, chargers for their portable devices, and special software on the computers. With this generous donation from the Friends, we will be able to provide our teens with upgraded technology, which encourages them to keep coming to the library.”

Library staff plan to add these upgrades to the Teen Room this summer. Be sure to stop in and take a look!

The Friends of the Orion Township Library is a 501(c)3 organization whose volunteer members are dedicated to supporting and improving the library by raising funds for services, programs, projects, and resources not provided for by the general library budget.

The Friends are always looking for new members and volunteers! If you are interested in learning more about the Friends of the Orion Township Library, please visit orionlibrary.org/friends.

For more information, visit the Orion Township Public Library at 825 Joslyn Road, Lake Orion, MI 48362, orionlibrary.org or call 248.693.3000. The library is open 9:30a-9:00p Monday through Thursday and 9:30a-5:00p Friday and Saturday.

Friends of the Chattanooga Public Library receive national honorable mention

July 11th, 2017  by Staff Report  in Local Regional News  Read Time: 1 min.

The Friends of the Chattanooga Public Library have received an honorable mention from the American Library Association, according to a news release. United for Libraries, a division of the American Library Association, hosted the Baker & Taylor Awards, which recognized the group for its efforts to support the library.

Friends opened the SkyLib Honor Bookstore at the Chattanooga Metropolitan Airport, raising funds, providing a quiet space for reading and increasing awareness of the library.

"The Friends of the Chattanooga Public Library are pleased to receive an honorable mention from the American Library Association for the Sky Lib project at The Chattanooga Airport," the group said in a release.

The Williamsburg (Va.) Regional Library Foundation and the Friends of Smyrna (Tenn.) Library were also recognized as the two winners and have been awarded $1,000 and a clock from Baker & Taylor to honor their achievements.

The Williamsburg Regional Library Foundation raised more than $750,000 through a capital campaign to help with construction costs for its new Stryker Center. By doing so the library gained critical space that more than doubled its community meeting space, added a museum-quality exhibit area, and created new administrative offices.

The Friends of Smyrna Library developed a "Spruce Up Smyrna Library" campaign to raise funds for improvements to the library's aging facility. Due to the publicity the campaign received, a local real estate firm chose the project for its yearly volunteer day, and phase one was a collaboration between its employees and the Friends.

In addition, the Friends of the Orion Township Library (Lake Orion, Mich.) also earned an honorable mention after they held a successful cultural fundraising gala, "Passport to Spring: Japan, A Festival of Seasons," collaborating with several local organizations including the Consulate General of Japan in Detroit.

The groups were recognized at United for Libraries' Gala Author Tea, sponsored by ReferenceUSA, at the ALA Annual Conference in Chicago.

The Baker & Taylor Awards have been given annually since 2000 and have recognized more than 45 groups for outstanding efforts to support their library.

Dear Karen,

MLA is currently engaged with a number of public policy issues affecting our libraries across the state and nationally. We are working with legislators and stakeholders to ensure the library voice is heard at the Capitol.

State Aid to Libraries is slated to see a $1.2 million increase for fiscal year 2018

MLA credits our library champions in the Senate, Senator Jim Stamas (R-Midland) and Senator Goeff Hansen (R-Hart) for their unwavering support of libraries. Their work on behalf of Michigan libraries is the reason we are seeing more than a million dollar increase for the second time in three years. In MLA's conversations with the two senators, they have made it clear they would like to see libraries continue to move upward toward previous funding levels. Both the governor and the House proposed a flat 2018 budget and the Senate proposal asked for nearly $3 million in additional library funding. The conference committee agreed on the $1,191,700 which brings the total state aid to libraries to $11,067,700. This represents a 12% increase and per capita payment of about $0.36.

The Renaissance Zone line item saw a $2 million dip as those areas continue to expire and the tax revenue begins to be collected and dispersed. Michigan e-Library funding is held steady at $1.75 million as well as funding for the Library of Michigan including the support needed to ensure LSTA funding.

Please take a moment to thank Sens. Stamas and Hansen for their support. The Senate adopted the conference report today, passing the state's $56.5 billion spending plan for Fiscal Year 2018. The budget has been sent to Gov. Rick Snyder for his expected signature.

Other education funding saw $60-$120 increases in per-pupil funding for a total increase in K-12 student spending of $153 million, $120.5 million for at-risk districts; 1% increase for community colleges and 2% increase for higher education if they keep tuition increases below 3.8%.
Technical Bills SB 305-310 Clarifying Tax Capture Changes are Introduced

In January, Governor Snyder signed into law six bills exempting dedicated library millages from certain tax captures. This marked a significant victory for the future of Michigan libraries allowing libraries to protect their dedicated special millages. The intent of the original bills was to allow the library to opt out of the tax capture only if there is no long-term debt.

There are a few issues of clarification that need to be addressed to prevent any confusion regarding the intent of the legislation and to help prevent fraud. These changes are strictly technical in nature and are outlined in SB 305-310. They clarify the definition of obligation to ensure that long term debt or bonds are appropriately specified in that definition. We continue to work with bill sponsors on language in the bills and expect a hearing in Senate Finance in the fall.

Michigan Participates in ALA 2017 National Library Legislative Day

Thirty-seven library supporters from Michigan joined the 500 participants in Washington, D.C. for the American Library Association 2017 National Library Legislative Day. Meeting with senators and congressional reps, the group explained the importance of the federal Institute for Museum and Library Services (IMLS) funding to Michigan libraries and the residents they serve. We also said thank you because when congressional negotiators reached agreement on a bill to fund the U.S. government through September, the "omnibus" bill included $231 million for the IMLS - a $1 million increase over FY2016. We also urged them to oppose any cuts to funding in FY2018.

Once again we are asking librarians from targeted areas to contact their Congressional representatives. If you are a constituent of Rep. John Moolenaar from Michigan's 4th District https://moolenaar.house.gov/about/our-district please contact his office through the ALA Legislative Action Center to urge his support for IMLS, and $186.6 million for LSTA and $27 million for IAL in FY 2018.

**Michigan Author Award Luncheon**

MLA is excited to announce the winner of the 26th Annual Michigan Author Award. Join us on Wednesday, October 18 for a luncheon in honor of the 2017 Michigan Author Award recipient Doc Fletcher.

"The committee selected Jeffrey "Doc" Fletcher for this year's award because of his passion for the state and what it offers in natural beauty," said Michigan Author Award Work Group Chair James Pugh. "We felt that as an author he captures what it means to be a Michigander through adventures Up North on the river. Michigan is lucky to have such an adoring fan of its great outdoors who shares his affection through authorship and advocacy."

A book signing will follow the luncheon presentation. Tickets for this luncheon are available for $35 (via registration).

Dear Karen,

Here are this month's networking resources to build stronger libraries and library professionals. In the spirit of networking, email MLA@milibraries.org to suggest a topic or idea you feel would be of interest to MLA members.

Subcommittees to Save, Cut or Kill Library Funding

After months of advocacy around the Library Services and Technology Act (LSTA) and the Innovative Approaches to Literacy (IAL) program "Dear Appropriator" letters, the appropriations process has moved into the hands of two key House and Senate Appropriations Subcommittees. This places the fate of critical library funding programs in the hands of fewer than three dozen members of Congress from 25 states. The next critical juncture for FY 2018 federal library funding will come when the House and Senate appropriations subcommittees with jurisdiction over IMLS and those critical programs meet to vote on what to cut and which programs to fund at what specific levels.

Right now, the members of the "Labor HHS" Subcommittees are working on the FY18 budget. MLA members and library supporters who live in Michigan's 4th Congressional District please contact Rep. John Moolenaar through the ALA Legislative Action Center and ask him to fund LSTA at $186.6 million and IAL at $27 million in FY 2018.

As a constituent of one of these few, key Members of Congress you have the real power to help save IMLS and keep LSTA and IAL from being cut or eliminated.

For more information about federal library funding, LSTA, and IAL, please visit District Dispatch.

President’s Update

I want to welcome everyone to a new year at Michigan Library Association, even if we are in a Midsummer Night's Dream. While we enjoy the summer season in Michigan we are still hard at work. Libraries are at the height of summer programming, preparations for the fall semester, school-year planning, budget preparations and advocacy efforts and projects large and small. MLA is the voice of Michigan libraries and we are here to support the success of all libraries and library workers in the state.

This year MLA will be continuing existing partnerships and forging new ones in our advocacy efforts for intellectual freedom, access to information, and library funding. The local, statewide, and national advocacy Fight for Libraries! is greater than ever. MLA urges everyone to become involved in efforts to strengthen the understanding and importance of what libraries contribute to a democratic society. Each of us can play a part in educating our local communities, our state legislature, and our national representatives. The MLA office will continue to be here to support and lead our statewide efforts but I encourage each of us to make this an ongoing part of our work and service for libraries.

MLA is made by its members! In addition to the important advocacy work of our association, MLA will be focusing this year on new efforts for membership
engagement. Last year we began our new webinar offerings to allow members to participate in, and make connections for, new professional development opportunities. We will continue our webinars series and will also be looking to all members to participate in defining their own engagement through Interest Groups. It's up to each of us to be as involved as we want to be. More information and programming to support the groups will be available at the annual conference but you can sign up now!

From the Executive Director’s Desk

Good News for Library Funding

A number of developments around library funding has us in an optimistic mood. First the FY 2018 State of Michigan budget is finally on the governor's desk. Funding for libraries includes a $1 million boost in state aid to libraries. This is great news as we work to gradually rebuild this funding source. Our Senators Geoff Hansen (R-Hart) and Jim Stamas (R-Midland) worked hard to keep that additional funding in the budget.

At the federal level we are cautiously watching the text of the appropriations bill released by the House "Labor H" Subcommittee ahead of its vote tomorrow afternoon. Right now it looks as if there are no changes relative to last year's appropriation which covers the IMLS funding source. There are still many steps to a final decision.

Insurance Services Opportunity

MLA has partnered with National Insurance Services, Inc. to provide another resource for affordable health care coverage to member library staff. If you have at least one current employee with health benefits you are eligible to join now. Meetings are underway to determine what type of plans will be offered. Once those plans are finalized, rates will be established and all member libraries will be eligible to sign up for benefits. If you wish to sign up with NIS immediately, there is no cost to you and your current plan will not change. Additional participants will allow NIS to command better rates for us. NIS also provides no cost human resources information and services. For information contact Brian Mitchell, National Insurance Services, Inc. at 800.627.3660 x 1310.

Congratulations MLA Librarian of the Year

Lance Werner, director of the Kent District Library, has been selected as the 2017 MLA Librarian of the Year. He will receive the award during the MLA 2017 Annual Conference, October 19, in Lansing. Lance has been serving the west Michigan community since 2011 and his accomplishments are numerous. As part of an ongoing effort to increase student reading skills, KDL initiated its Play Grow Read program which has the library building collaborations among the Literacy Center of West Michigan the Kent Intermediate School District and Steelcase Corporation. This public private partnership is just one way KDL is looking for ways to benefit Michigan's next generation. Lance is a staunch advocate for statewide library funding working with MLA and legislators to protect the library's right to disseminate information to communities and ensure tax dollars are spent according to the voter's choice. His
tireless work on legislative issues including our tax capture success is unmatched. His efforts were critical to the successful passage of that package of bills.

Congratulations Lance and thank you for your dedicated service to MLA and to the library community.

**MLA 2017 Registration is Open**

MLA 2017 is at the Lansing Center and registration is open. This year's keynotes include Manoush Zomorodi, Host & Managing Editor, WNYC'S Note to Self, the tech show about being human and Jack Lessenberry, head of the journalism faculty at Wayne State University. Lessenberry provides commentary and analysis for radio and television. He won a National Emmy award in 1994 for one of two Frontline documentaries he helped report and produce on Dr. Jack Kevorkian. He will be addressing fake news and the media.

This year as you are making your professional development plan, remember to review the MLA scholarship opportunities. Director's Report
July 20, 2017
Karen Knox

The new OTPL Bookbike was on the road for 4 days in June, and we estimate that we spoke to 150 people at those events. Overall, the Bookbike is well-received by the community, and we look forward to sharing more about it throughout the summer.

We had an important Strategic Planning Retreat on Saturday, June 3, with 11 staff members and 5 library board members present, along with our consultants. We did a lot of analyzing what we have heard from the community and brainstorming of priorities for the library for the upcoming years. The draft plan was emailed out the library board last week, and the Strategic Planning committee of the board met on Thursday, June 13 to discuss. More details will be shared at the board meeting.

Summer Reading was officially kicked off on Saturday, June 10, with our annual party behind the library with about 1,042 patrons of all ages! From food and activities to actually signing up for the Summer Reading Program, fun was had by all. As of the end of June, we have 791 kids, 146 adults, and 223 teens registered for the program, for a total of 1,160 patrons!

LaVere Webster completed the restoration work on the antique Lake Orion sign. It is back on display in Adult Services. Our local history museum exhibit has also been installed in the Friends Reading Room. We received a lot of great press about the exhibit and it has been visited by many patrons. We plan to have a small opening ceremony in conjunction with the September OHS meeting.

In addition, Adult Services offered: 2 Book Discussions (15), 4 Needle Arts (10), 6 Tech help (15), Cook the Book (18), Orion Historical Society meeting (6), Team Trivia (30), 2 World Cuisine programs (42), and 1 Outdoor Yoga session (25).

Outreach Services offered: 3 Computer Classes at the Orion Center (10), 4 ESL Conversation Groups (9), 2 Quilting Groups (5), LONC programming (25), Senior Book Bunch (6), 3 Heritage Place programs (20), 7 Next Chapter Book Clubs (63), a Silverbell program (7), and Phone, Email, and Mail Scams (5).

Teen Services offered: 2 Geek Clubs (21) and DIY Slime (59).

In the Youth Department, we now have 169 children registered for the 1000 Books before Kindergarten program, with 4 children having completed the program. Youth programming included Nature’s Mythbusters (58), Minion Madness (78), Toddler Drive-In Movie (53), Daddy & Me (27), Lego (10), 4 Doggone Readers (18), 3 Kindermusik (120), Build a Bird Feeder (40), Over in the Ocean (42), Game On! Big Game (28), Bracelet-Making Fun (27), STEAM-Water

(18), Building Bridges (24), Baby & Me Playtime (2), and Project Kidsight (8). We also had visits from Stadium Elementary 2nd graders for a special program on Orion History (92), Pee Wee Patch (28), and Pine Tree Elementary kindergarteners and 3rd graders (160). We are collaborating with the schools on a new program this summer called Dragon Summer Nights where teachers are available (along with librarians) to help students find books to read, and we had 70 people at our first one of these in June. Youth department staff did 6 school visits to the elementary schools in June, reaching 2749 students. They also fulfilled 9 ThinkLink book requests.

The library was awarded a small LSTA grant of $500 to do programs for special needs adults. Debra Refior, Gina Crowther, and Lori Morris will be coordinating these programs in August. The library also won a Braille StoryWalk kit from the Library of Michigan. Debra & Mike are working on getting this story on display along the walking path behind the library.

Library staff enjoyed a potluck summer picnic on June 21, with another planned for July 19. The staff enjoy the Reading Garden area for lunch on this day.

The library was closed on July 4 for the Independence Day holiday.

We hired a new shelver, Rachael Mills, and she will start on July 17. We will be conducting interviews soon for the Youth Librarian position that will be vacant with Linda Pannuto’s retirement.

In case you haven’t seen it, the July/August ONTV show, Orion @ Your Library, is available here: https://youtu.be/EodzlcwPbms.

After inspection by the fire department, Mike has arranged to have the non-functional fire pump and related equipment removed and has added necessary signage to the area. Mike and Steve are working with our vendor on the installation of the card access system to replace the Simplex locks on the doors between staff and public areas. Hardware has arrived at the vendor and installation will begin on Saturday, July 15. More building projects were discussed at the Building Committee Meeting on July 13, and updates will be provided at the board meeting.

I have drafted an initial 2018 budget, based on the figures received from the county. There is a Headlee Factor again this year, rolling back our millage rate. I reviewed my draft with the Finance Committee on July 13 and will provide an update at the board meeting.
The Friends held their latest Board Meeting on June 26. Unfortunately, their President has had to resign his position, so they are struggling a bit with board membership. They also did not have a quorum at the meeting. However, after the meeting, they did an electronic vote and agreed to gift another $20,000 to the Library for programming. I received this check on July 7. Carla Tousley (Treasurer) is doing a great job of trying to keep the board on track during this time. They are planning for their Friends Member Night, which will be on Tuesday, October 17.

Reminders and other notable upcoming events for the Library:

There's a bunch of manga series that you only have half of, or almost all except there's like 2 missing in the middle of it. Getting all of them would be great, especially for series like Assassination Classroom, Bakuman, Uzumaki, & Black Butler. Thanks for listening!

We had a patron returning a game this evening, who stated she and her husband own more than 400 board games and their neighbor 4,000! With such a wealth of game experience, I asked her opinion of the game she was returning.

I was thinking how helpful it would be to allow patrons to post reviews of games online, or possibly have this specific patron (and her neighbor) offer their expert reviews.

Dear Christy:

Thank you for taking the time to complete a comment card. Your input is important to us!

We are always happy to hear comments and suggestions from our patrons and staff. It would be great if we could include board game reviews on our website, but I don’t think it is possible with our current software. However, I’ll share it with other staff and see if we can research the idea. Perhaps you could mention our Drop In Table Top Gaming and other board game events to patrons (like these) who check out our board games. Their knowledge would certainly be an added benefit for other patrons who come to play games at the library.

Please feel free to submit additional comment cards and thank you for using the Orion Township Public Library.
