**Did You Know?... Amelia Earhart flight-tested a wireless navigational prototype version of the helicopter in 1931 and, as a sales agent, sold the first model to William E. Scripps of Orion for use by the Detroit News. (Source: Orion Historical Society.)**

Most people remember Amelia Earhart as being the second person—and first woman—for the project on. Earhart’s travels in the 1930s, including several visits specifically to the Orion area. Learn more about Amelia Earhart and her visits to Michigan at When Amelia Came to Michigan, a special presentation at the Orion Township Public Library beginning at 7 p.m. on June 11.

Local historians Al and Dave Eicher will present hundreds of photographs, old film footage, music from the 1920s and 1930s, and their collection of Michigan newspaper articles about Amelia Earhart.

The presentation is sponsored by the Orion Historical Society and the Orion Township Public Library.

Some other Michigan facts about Amelia Earhart:

- In the winter of 1929, Earhart visited William E. Scripps’s estate in Lake Orion for dinner where he asked her to test a new glider. She successfully flew-test a glider for Scripps, owner of Orion Gliders, Inc. and the Detroit News, on July 5, 1930, at Grosse Isle Airport, setting three speed records.
- She received the United States Distinguished Flying Cross for her solo flight across the Atlantic Ocean.
- She set many other records and wrote best-selling books about her flying experiences.
- The Orion Historical Society meets regularly at the Orion Library and is always looking for new members. Members learn about Orion Township’s history and work on projects to preserve the past. The next meeting is 7 p.m. Aug. 13. For more information about the Orion Historical Society contact Beth Sheridan, Adult Services Head Librarian at esheridan@orionlibrary.org or 248-693-3000 ext. 332.

Home Depot volunteers plant a Victory Garden at the Orion Veterans Memorial on May 22. The volunteers also planted flowers around the memorials and donated a brick to honor Home Depot employees who have served in the military. Photos by Jim Mys.

The symbol," Watros said, adding the veterans will give the produce to people who want, and need, them.

A woman down the road from the memorial had been going to the garden at night to get vegetables. Watros went one night to check on a sprinkler that was acting up and saw the woman.

"And she was thinking that she was doing something wrong," he said. "I said, 'Nope, you keep them.' She needed those vegetables and she was going to come home and cook them.

For the Home Depot team, giving back, especially to the veterans, is their reward.

"It's in our values. I truly believe that if you give back to the community the community will take care of you," said Hart, whose father, Alan Hart, was an Army veteran who served in Vietnam. "That's really what it's about. It's also about touching a piece of your soul."

"I had six new volunteers there and they loved it. They had not been to the memorial and it was really nice to introduce them to the memorial so they could see what a gem it is," Hart said. "We do it because we love to do it."

Home Depot also purchased a Memorial Brick, thanking Home Depot employees who have been in the armed forces for their military service. There are currently 15 veterans at the Lake Orion Home Depot.

This is the third grant -- $12,000 in total -- for the Veterans Memorial from the Home Depot Foundation. Previous grants and work have been used for new decking on the pavilion in 2015 and building the raised garden beds in 2015, as well as beautification and supplies, Hart said.

"Everybody likes that Victory Garden. And it's not what we grow there, it's the symbol. There's quite a few vegetables there, but it's the symbol," Watros said, adding the veterans will give the produce to people who want, and need, them.

Amelia Earhart visited Michigan 27 times in the 1920s and 1930s, including several visits specifically to the Orion area.

Learn more about Amelia Earhart and her visits to Michigan at When Amelia Came to Michigan, a special presentation at the Orion Township Public Library beginning at 7 p.m. on June 11.

Local historians Al and Dave Eicher will present hundreds of photographs, old film footage, music from the 1920s and 1930s, and their collection of Michigan newspaper articles about Amelia Earhart. Their presentation will reveal the women who flew for the fun of it.

The presentation is sponsored by the Orion Historical Society and the Orion Township Public Library.

Check next week's Lake Orion Review for another Did You Know? fact about Amelia Earhart.

The OHS meets regularly at the Orion Library and is always looking for new members. Members learn about Orion Township's history and work on projects to preserve the past. The next meeting is 7 p.m. Aug. 13.

For more information about the Orion Historical Society, contact Beth Sheridan, Adult Services Head Librarian, at 248-693-3000 ext. 332 or email esheridan@orionlibrary.org. The Orion Township Public Library is at 825 Joslyn Rd. - J.N.

Proposed village parking structure worth a second look

The latest discussions by the village regarding the possible construction of a multi-level parking deck on Anderson Street reminds me of when former Orion Township Trustee Burke Cueny brought the exact same idea to the village way back in the 1990's. Cueny thought a parking deck was essential to the future of the village way back then.

But, apparently the idea was immediately shelved by the land barons of the village at that particular time. I'm glad the village is at least taking another look at the feasibility of such a structure in 2018.

Energy infrastructure benefits everyone

We all want to see new jobs created, don't we? No matter where you fall on the political aisle, there is always a call for job creation. That is why there should be no political divisions on the issue of building more energy infrastructure.

Infrastructure projects like natural gas pipelines create construction jobs and longer term positions which support their operation. That is why we see often see labor unions and business groups backing these projects.

Both workers and business owners know that energy infrastructure benefits everyone when they get built. Natural gas infrastructure also keeps energy costs low and spurs job creation.

This is an issue that should unite people no matter their political party membership.

Forensics team sends five to finals.

Forty-five Class A schools were represented at the State Forensics Tournament at Central Michigan University May 2-3. Students qualified in one of 14 events, ranging from storytelling, poetry and dramatic interpretation to oratory, sales and informative. Lake Orion had five students advance through districts and regionals to make it to the coveted state finals. At the end of the day May 3, Casey Wright (poetry) and Kristin Limback (sales) brought home eighth place plaques. Ian Spear (oratory), for the second year in a row, brought home a fifth place trophy. Veronica Topolewski (sales) broke a school record when she brought home a third place trophy, the highest placement of any Lake Orion Forensicator to date.

Village asks $1.7 million bond issue.

An additional two to three mills will appear on village tax bills if voters approve $1.7 million in bonds for water supply improvements. If Oakland County agrees, Lake Orion has set July 12 for the election. Approving the bond issue will provide funding for hooking up to Detroit water through Orion Township and making improvements the township requested in its water proposal. “This will pay for construction of a 16-inch water main from Flint to Elizabeth Street, two meter pits, 1,000 water meters and a lump sum ($50,000 for 20 years) to pay the township off,” Village Manager John Berchtold said. Berchtold also said that besides paying the debt of hooking up to Detroit water, homeowners should also expect a $100 to $150 a year water rate increase.

Family safe as fire destroys home.

Arson is being investigated as a possible cause of a fire which destroyed a home at 1153 Hemingway in Orion Township early Wednesday morning. The Grahams and their four children escaped the fire. According to Lake Orion Fire Chief Jack Caylor, the fire appears to have started on the front porch. “The little girl woke up and saw the fire,” said Caylor. “She roused her father and he woke up the rest of the family. They fled to a neighbor’s house. Phone lines being down in the area caused a delay in getting the fire department called in.

The chamber’s membership continues to grow and when the chamber would hold membership orientations or other meetings they would often have to use another facility. “We ended up doing a lot of our stuff at the Orion Center, anyway. There’s a conference room on the lower level and the banquet room upstairs,” Urbanowski said.

Location was another factor. With growing businesses and membership from the Brown and Baldwin roads corridors, Urbanowski said the Orion Center is more centrally located in the township and puts the chamber that much closer to all of its members.

When the chamber vacates its current location at 46 W. Shadbolt St., Urbanowski said there will be a great spot for any business that wants to relocate to the village.

The property is listed at Friedmanrealstate.com for any business that wishes to relocate to the village.

Urbanowski said the chamber also wants to become more of a welcome center so people can visit the office and have access to information on the Orion areas amenities, businesses and offerings in one location.

The June 7 luncheon is $25 and Urbanowski said it’s a great opportunity for anyone who wants to learn more about the chamber, meet the members and learn about the benefits of joining. Pre-registration is required by calling the chamber at 248-693-6300 or online at orionareachamber.com.

Run the Veterans Memorial Day 5k in your red, white and blue

The Orion Veterans Memorial hosts its second annual 5K run/walk on Memorial Day, May 28.

The patriotic race starts in Lake Orion on Broadway Street south of Flint Street, in front of Sagebrush Cantina and finishes at Oaknoll Ave., west of the memorial on M-24.

Dog tags will be handed out to each finisher. Race day check in and registration is at Lockhart’s BBQ, 37 Flint St., starting at 10:30 a.m. and the race begins at noon.

Registration and packet pickup will also be on Sunday from noon-4 p.m. at Hansen’s Running Shop on the corner of Flint and Broadway streets.

Dick was preceded in death by his brother, John "Jack," and his sister, Margaret "Peg." Dick was a long-time member of the Chelsea Rotary Club and was a member of the Chelsea Community Foundation.

On July 8, 1978, he married Sally Marie Penette, and she survives. Other survivors include his daughter, Robin (Harrison) Bemiser of Tempe, AZ; a sister, Mary (Bob) Howe of Crosse; Lee, and he was a devoted "Papa" to his granddaughter, Cora Bemiser. Dick was pre- ceeded in death by an infant brother, Tommy Bouton.

There will be two celebrations of Dick’s life at a later time, one in Harbor Springs and one in Crosse. Memorial contributions may be made to the Parkinson’s Foundation, with the hopes of finding the cure. Dick was so optimi- stic about his Parkinson’s disease. Camps for Cure of Dickinson Chapel, Chelsea.

ORION TWP

Historical Society presents story of Amelia Earhart

The Orion Historical Society is hosting a special presentation, “When Amelia Came to Michigan,” at 7 p.m. Monday, June 11 at the Orion Township Public Library, 825 Joslyn Road.

This program is the real life story of Amelia Earhart’s adventures in Michigan. Local historians Al and Dave Eicher will present hundreds of photographs, old film footage, music from the 1920s and 1930s, and their collection of Michigan newspaper articles about Earhart.

For more information about the Orion Historical Society, contact Adult Services Head Beth Sheridan at esheridan@orionlibrary.org or 248-693-3000 ext. 332. For other library happenings, visit orionlibrary.org.

ROCHESTER

Cinema in the Cemetery shows ‘Despicable Me 3’

Guardian Angel Cemetery, 4701 North Rochester Road, Rochester, is hosting a family movie as part of its annual Cinema in the Cemetery series with “Despicable Me 3” being featured on Saturday, June 16.

The animated hit movie will begin at sundown, expected to be around 9:30 p.m. Families are encouraged to arrive early around 8 p.m. and can bring blankets, lawn chairs, picnic food and more. Free water, juice and popcorn will be available. Different flavors of Hawaiian Shaved Ice will be available for a $1 donation to Raising Rochester, a local organization dedicated to creating and managing urban gardens as a way to help provide healthy vegetables to low-income families. A minimum donation of $5 per vehicle is recommended for those attending the movie.

In the first five years that Cinema in the Cemetery was held to support Raising Rochester, more than $8,000 has been raised.

Visit www.mtleiott.com/guardianangel or call 248-601-2900 for more information.

**MLA Advocacy Alert: Contact your Senator TODAY to Save Library Penal Fines**

**House Bill 5090 must be stopped.** House Bill 5090 changes how fines from weigh stations are distributed. Under the proposed legislation, failure to stop at a weigh station would be changed from a misdemeanor to a civil infraction and exempt certain vehicles. This means a reduction in penal fines to libraries since civil infraction penalties are lower than misdemeanor penalties.

This bill moved through the House without recognition of an analysis that found it will reduce library funding.

Please contact your Senator and urge them to talk with Sen. Tom Casperson, chair of the Senate Transportation Committee, to tell him your library opposes this bill as it negatively impacts library funding. Email, call or tweet your message using MLA's Advocacy Action Center. Use the sample email message and talking points provided or share a personal message on how a reduction in penal fines will negatively impact your library.

Encourage your Senator to contact MLA or GCSI with further questions.

MLA Weekly
May 24, 2018

Dear Karen,

MLA is currently engaged with a number of public policy issues affecting our libraries across the state and nationally. We are working with legislators and stakeholders to ensure the library voice is heard at the Capitol.

House Bill 5090 Reduces Library Funding

Thank you to everyone who contacted their Senators regarding HB 5090. There have been nearly 300 responses to our request urging your Senator to talk with Sen. Tom Casperson, chair of the Senate Transportation Committee. After a meeting with the Senator's office today, we learned the bill will not move until the fall. The Senator has agreed to work with us to help address our concerns and MLA will testify at the committee hearing next week.

Libraries are regularly faced with proposed legislation that would divert penal fine revenue. House Bill 5090 changes how fines from weigh stations are distributed. Failure to stop at a weigh station would be changed from a misdemeanor to a civil infraction and exempt certain vehicles. This means a reduction in penal fines to libraries since civil infraction penalties are lower than misdemeanor penalties.

Penal fine funding is constitutionally mandated. In addition, since public libraries are not connected with the collection of the fines, there is no conflict of interest in the way the fines are collected and the entity (public libraries) that eventually receives the revenues from the fines.

Attorney General Opinion on Millages Confirms Generally Accepted Understanding
The Attorney General's office this week rendered an opinion on district library millages. A concern was raised by a local municipality questioning the validity of a perpetual millage.

The AG opinion concludes as follows:

"It is my opinion, therefore, that a millage levied by a district library established under the DLEA is not subject to the mill limitations or the 20-year durational limit set forth in article 9, S 6 of Michigan Constitution. But under section 13 of the DLEA, MCL 397.183 a district library may not levy more than 4 mills and any levy over two mills may be authorized only for a period not to exceed 20 years."

MLA cannot offer legal advice. However, it is our understanding that any millage over 2 mills cannot be longer than 20 years but 2 mills or under can be perpetual. We are seeking legal confirmation and will share additional information if it does not concur with our understanding of the law.

Libraries' NARCAN Legislation Takes on Greater Importance

Recently, the Senate Health Policy Committee took testimony on SB 828 and 829, which would provide liability protection for libraries when providing the life-saving opioid antidote naloxone, common brand name Narcan, to an overdosing patron. As a result of our testimony, the committee chair has requested legislation which would protect all public locations from liability including libraries. This may delay the legislation briefly but the broader implications for public safety are tremendous.

Kristin Shelley, MLA Legislative Committee Chair and MLA President-elect gave an excellent overview of why the bills are needed. She also provided a heart wrenching story of a death that occurred at a library where she worked years ago. The committee heard first hand how a life might have been saved if naloxone had been available then.

Library of Michigan, the Michigan Department of Education and MLA have been working together to see this protection added for our libraries.

SB 828 and 829 would allow libraries and library employees or agents to purchase, possess, distribute or administer in good faith an opioid antagonist without possible subject to criminal prosecution. The law would provide immunity to libraries similar to that provided to public schools.

Win for Net Neutrality

ALA recently reported the Senate voted 52-47 to pass legislation under the Congressional Review Act (CRA) to block the FCC's troubling December 2017 rollback of its 2015 net neutrality rules. The passage of this resolution shows that this is an important issue for all Americans-including the thousands of members of the
library community who have weighed in and asked lawmakers to step up for net neutrality.

The vote comes on the heels of news late Friday that the repeal of the 2015 net neutrality rules will officially take effect June 11. With the passage of the CRA in the Senate, action moves to the House, which must also vote on the CRA. We hope the House will follow the Senate’s lead and pass this resolution quickly to undo the FCC’s reckless and unpopular action. Already, 160 members of the House have signed on, and we expect more to follow in the coming days. You can help by continuing to tell your members of Congress (or thanking them!) that net neutrality is critical to the modern library and our communities through the ALA’s action alert.

President's Update

I sometimes get worn out but I sure love the work that I am involved with. My day job keeps me busy supporting library systems for my consortium's member libraries. My institution is moving forward with change on many fronts. Working with the Michigan Library Association for the past several years has been encouraging and personally rewarding. And every spring I get to teach a course on library and information science. All of these things excite me, on top of my kids getting ready to enjoy the summer months.

Whether we feel worn out from work or worn down from current events or circumstances, I think we each have to try to contribute something every day. We are each asked to give to our fellow humans, but we also often get something from our efforts. I envision a future for libraries in Michigan that has all of us working together to better the lives of the people we serve.

I think we each have to find something to keep us going, motivated, and even excited. For me, teaching an annual course on library systems is always challenging and enlightening. I set out to impart all I know with a new group of students each year and I always end up learning a lot of new things myself. The best thing is that I get to encourage others to be as excited as I am about working in our profession and in serving others.

From the Executive Director's Desk
State Aid to Libraries Gets Million Dollar Boost

Great news for libraries again this year. The Senate/House Conference Committee increased State Aid to Libraries by $1.0 million GF/GP over last year, which translate to a 9% increase and brings the per capita payments from $0.36 to $0.39. This is great news as we work to gradually rebuild this funding source. Our Senators Goeff Hansen (R-Hart) and Jim Stamas (R-Midland) worked hard to get that additional funding in the budget. Please take a moment to thank them for their unwavering support of libraries.

New Director Training Available Soon

MLA is offering a comprehensive New Director Training for librarians new to the job as director. It would also be helpful for those directors moving to a larger library. Details will be available soon. We're very excited for this new opportunity as our Michigan library horizon boasts many newly minted directors.

Exciting Changes to MLA Database Underway

You'll soon be noticing changes to the MLA website and registration system. Transition to our new database MemberClicks is almost complete. It will offer enhanced navigation, a dedicated annual conference site and easier registration for our professional development events.

Director's Report

Karen Knox

May was another busy month at the library, kicking off the month with our Star Wars Day celebration, including Free Comic Book Day (gave away about 139 comics), on May 5. We had a total of 303 attendees of all ages at the library taking part in our crafts and activities!

In addition, the Bookbike was back out on the roads…er, trails and safety paths…again starting in May! Including the Flower Fair, the Ride of Silence, and the Memorial Day Parade, the Bookbike made 5 appearances talking to 95 people.

In the Youth Department, we now have 227 children registered for the 1000 Books before Kindergarten program, with 8 children having completed the program. Youth programming in May included Train Day Storytime (45), Pigeon 3 Ways (24), Beach Day – Water Safety (24), Lego (9), Early Explorers (26), and Pick Up STEAM – Weather (31). In addition, our youth staff fulfilled 13 ThinkLink book requests, and completed 5 Pre-K school visits (140) and 4 K-5 school visits (489). These visits include some classes that came to OTPL as well – classes from Heartfelt Impressions and Pee Wee Patch who came for a storytime program, as well as 75 second graders from Stadium Elementary who came to learn about local history.

Teen Services offered: Geek Club (13), our first Dungeons and Dragons (16), Nintendo Labo (8), and Cosplay Craft (8). In addition, Dan visited Waldon Middle School to market the Teen Summer Reading Program during lunches.

In Adult Services, we had: 3 Book Discussions (24), 5 Tech help (19), an Orion Historical Society meeting (9), 2 Quilting/Needle Arts groups (6), 1 Community Conversation at Lockhart’s (30), Grow Your Money (3), DAR Genealogy Workshop (13), and we brought in Michigan Works for their first opportunity to meet with patrons, but no one came. They will be back throughout the summer. In addition, Kathleen (who got married in April and has a new last name!) attended the second meeting of the MLA Leadership Academy.

Outreach Services offered: 4 Computer Classes (6), 5 ESL Conversation Groups (25), LONC Program (24), Senior Book Bunch (13), 2 Heritage Place programs (11), 8 Next Chapter Book Clubs (48), a program at Villas of Silverbell (14), a program at the new Beacon Square facility (7), and our new Tech Club with Eric at the Orion Center (10). In addition, Kate, Mary, and Monica worked at the Healthy Body Healthy Mind Expo with the Chamber, the Flower Fair with the DDA, and the Senior Expo at the Orion Center, promoted library resources.
In case you haven’t seen it, the May/June ONTV show, Orion @ Your Library, is available here: [https://youtu.be/XwUiO0LSYA4](https://youtu.be/XwUiO0LSYA4). We taped for the July/August show recently as well.

Kim, from Kimberly Bolan & Associates, did come to the library on June 4 to discuss the redesign of the Meeting Room. She met with eight staff members, myself, and Carla from the Friends. She is planning to provide her report for the July board meeting.

We hosted a Red Cross Blood Drive on June 7 and collected 33 pints of blood.

We held our Summer Reading Kickoff on Saturday, June 9, and it was a big success, even though we had to move it indoors due to rain. There will be a full report on it next month.

For the youth department head position, Karen K interviewed four candidates, along with Suzanne Tison (librarian in the youth department) and Cathy Russ (director of the Troy Library). We decided on a top candidate, along with input from the rest of the youth services staff. We are thrilled to announce that Ashley Lehman will be our new Head of Youth Services. She came to our Summer Reading Kickoff on June 9 and officially started on June 11.

Internally, we have been working to setup ADP Workforce Now, which will transition us from paper timecards to electronic timecards, with staff entering time worked online and approved by supervisors online. Karen K trained supervisors on using the system on June 13, and we have plans to go live with staff on June 25. Margie has done a great job working with ADP on the setup.

Karen K will be attending her MLA board training event on Thursday, June 14 and will provide further information at the library board meeting next week.

Thanks to board approval, we are moving forward with our VoIP phone system migration project. We have a kickoff meeting with the vendor scheduled for Monday, June 18, and Karen K will provide a further update at the library board meeting next week.

Roger is out for a medical leave following knee surgery on May 10. Nate, a shelver, is working in the maintenance department during Roger’s leave.

The Friends of the Library had their Spring Gently Used Book Sale in May. At their May board meeting, Karen K led them through an initial discussion about the role of the Friends and the goals they have as an organization. This led to a

Thank you for taking the time to complete a comment card at the Orion Township Public Library. Your input, ideas and suggestions are important to us and we are always happy to hear comments and suggestions from our patrons!

Having gift certificates available for use is an interesting thought, but I need more information about your idea. What did you have in mind for the gift certificates to be used for? Maybe fines/fees or the Friends gently used books or something else?

The podium that is stored in the closet off the stage has wheels on the front and gliding post on the back. It is meant to lean forward and roll back and forth. The floor gets marred when the podium is pulled sideways or when dragged without tipping the unit to utilize the wheels. I will post a note on the podium to let others know to tip forward when moving unit. Thank you for bringing that to my attention!

Please feel free to submit additional comment cards and thank you for using the Orion Township Public Library.

Put paper towels in bathrooms instead of air dryers because of the germ problem with air dryers.

Thank you for taking the time to complete a comment card at the Orion Township Public Library. Your input, ideas and suggestions are important to us!

I appreciate your suggestion to put paper towels in the public restrooms instead of the hand dryers that we have now. We used to have paper towels in them in the past, but they were costly and created a mess in our restrooms. We switched to the hand dryers about five years ago as they are more economical and keep our restrooms cleaner.

I understand some research has shown that hand dryers can spread germs in an environment where the sinks, dryers, and toilets are in close proximity, and I appreciate this concern. However, at this time, we have decided to keep the hand dryers. We clean our restrooms daily, and I believe this puts the potential risk at a very low level.

Thanks for your thoughtful suggestion, and thank you for using the Orion Township Public Library.

Sincerely,

Karen Knox

Dear Friends:

The library staff, board, and Friends of the Library are planning an outdoor memorial for Gina. Gina was loved and respected during her employment at the Orion Township Public Library, and she is greatly missed!

Because Gina loved spending time with her family and loved playing games, we thought an outdoor game of hopscotch and gathering space would be an appropriate way to remember our special friend and colleague.

We have already installed cement squares in the back of the library near the reading garden that will soon be painted with numbers in hopes of inspiring all to enjoy a game of hopscotch. We’d like to place a bench under a tree that is near the hopscotch game inviting spectators to relish in the time spent outdoors with loved ones while visiting the library and sitting under a shade tree.

If you’d like to donate funds to go toward the purchase of this project, please give your donation to Joyce by Monday, July 30, 2018.

Sincerely,

Karen Knox
Director

An Educational Partnership between Lake Orion Community Schools and Orion Township
Public Library

Vision

The partnership between the Orion Township Public Library (OTPL) and Lake Orion Community
Schools (LOCS) will expand the educational opportunities and enhance the academic
achievement of each student. As partners in education, we will work collaboratively by
combining our strengths and resources to invest in each student’s future and accomplish,
together, results that we could not otherwise readily achieve.

Mission

To ensure every Lake Orion Community School student has and uses an Orion Township Library
card to borrow materials and access databases.

To develop programs, activities, and events for all Orion Township students and their families
that encourage reading, advocate the completion of school assignments, promote scholarship,
and provide the best possible chance of overall academic success.
Orion Township Public Library Objectives

Orion Township Public will:

1. Register LOCS students for library cards with the assistance of faculty and staff.
2. Provide online research database access.
3. Offer computers for student use and provide technical assistance.
4. Conduct programs for students at LOCS and OTPL to support curriculum, and promote OTPL resources, for example storytimes, booktalks, MakerFairs, and GAP programming.
5. Organize and host 5th Grade Battle of the Books program. Co-sponsor Middle School Battle of the Books program.
6. Promote the Battle of the Books and Summer Reading programs to students and provide promotional materials to Media Specialists.
7. Communicate information about OTPL for school, via Assistant Superintendent for Teaching & Learning.
8. Designate a library staff member liaison to each school to coordinate the partnership.
9. Host and/or participate in LOCS staff development sessions, information sessions, and social events for LOCS staff and parents to build awareness and knowledge of the resources of OTPL.
10. Create a link on the OTPL website to the LOCS website.
11. At LOHS and middle schools, create a permanent link on media center computers to the OTPL catalog OR create an OTPL kiosk in the media centers.
12. At LOHS and middle schools designate media centers as pick-up locations for held items, allowing students to place holds on OTPL items with their own cards, pick them up at the media center, and return them to drop boxes also at the media centers. School liaisons will coordinate delivery and pick up of materials.
13. OTPL Youth department will prepare elementary school teacher holds at OTPL to be picked up by volunteers.
Lake Orion Community Schools Objectives

Lake Orion Community Schools will:

1. Distribute library card registration materials and information through Kindergarten and New Student registration packets, Media Specialists, School site visits, and field trips to the library.
2. Collect and forward completed library card registration forms to OTPL.
3. Share information on school, curriculum, extracurricular projects, and homework assignments to assist the library in meeting the information needs of students and their parents.
4. Disseminate information with faculty, students, and parents about OTPL databases and online resources.
5. Feature OTPL programs, events, and activities in school, and principal newsletters.
6. Promote OTPL’s Summer Reading program and other relevant programming through various means or avenues.
7. Designate a liaison at each school to coordinate the partnership.
8. Co-sponsor Middle School Battle of the Books program. Promote and support 5th Grade Battle of the Books program.
9. Invite OTPL to participate in staff development and parent events, such as Parent University.
