

Farm Animals

- READ “Moo-Baa-Oink” is a singable book and a fun way to practice animal sounds. You can check it out from Hoopla Digital.
- WRITE & PLAY Finger play songs and rhymes are great for developing motor skills and body awareness in little ones. Follow along with the motions, moving the spider to different body parts on baby.

- TALK Talking to babies is so important for their language and brain development. It doesn't have to be a big deal - talking to them as you go about your daily activities is a perfect place to start!
- SING Here's one of our favorite Baby Time songs, perfect for diaper changes and getting dressed. Feel free to ad-lib as you go and make up new verses of your own!
