

BUGS

- READ *Backyard Bugs* by Jill McDonald
<https://www.youtube.com/watch?v=X1-sd9wkzrE>
- PLAY Go on a bug hunt in your yard or at the park. See if you can find all of the bugs from the book.
- SING "Bug'n Roll" <https://www.youtube.com/watch?v=oybEMWW23uU>
Get up and move with this fun action song! March like an ant, buzz like a bee, blink like a firefly, and creep like a caterpillar. After the video, try to come up with some other buggy moves with your child!
- WRITE Invitation to Create: Build a Bug. Here's a simple child-led craft that's easy for all ages, and all you need are colored paper and glue! Instructions can be found here: <http://www.paper-and-glue.com/2015/08/invitation-to-create-build-bug.html>
- TALK After completing the Build a Bug activity, have your child tell you a story about their bug. What is the bug's name? What kind of bug is it? Does it have a family? Friends? What adventures will the bug have? Encourage your child to add whatever details they want to their story!
