- SING & TALK A great counting song with rhymes, which help kids make up the different parts of words, can be found with this fun fingerplay
Ten little doggies went out one day (hold up ten fingers)
To dig in the dirt and play, play, play. (Pretend to dig!)
Five were spotted dogs, and five were not. (Hold up 5 fingers)
And at dinner time, they ate a lot!(pretend to eat)
- PLAY Not all songs are for dancing! "A-tisket A-tasket" is a great song to try and ACT out! Watch for the dog and cat, and if you have pets at home, see if they want to help out!
- WRITE Draw out the letters B I N G O on sturdy paper or felt. Practice some fine motor skills by cutting (parents can help here!). Once you have all your letters cut out, sing along to the song *BINGO*, removing one letter along the way and replacing with a clap! This is a great song for letter recognition!
