*Here are my ears and here is my snout! (point to ears and nose)*  
*When I see the yummy food in my pail, (put hand up over eyes like you are looking)*  
*I oink, oink, oink, and wiggle my tail! (Oink and wiggle your piggy tails!)*

- PLAY True Peppa fans know that muddy puddles are all the rage. Throw on your favorite rain boots and jump in some puddles next time it rains! What happens to the water when you jump in it? Why do you think that happens? No rain? No problem! Fill a bowl or container with water. Drop objects into the water and observe what happens. Try dropping things of different sizes from different heights!
- WRITE Here are some fun activity sheets full of Peppa fun. All of these activities will help kids work on those fine motor skills. Of course, Ms. Katie's favorite is muddy puddles! [www.peppapig.com/activities/#](http://www.peppapig.com/activities/#)
